**Risk Register & KPIs**

a

DP&CE presented the Risk Register noting that:

- risks remained steady
- achieving Ofsted 'good' was the key focus
- potential income shortfalls were being closely monitored
- a sector risk, rather than a college specific one, existed in relation to finances in 2023/34
- KPIs and RAG ratings were updated on an ongoing basis

In response to a query from governors on C&Q forecast data, IP&CE stated that the forecast for 22/23 would be set at the end of term one, with RAG rating taking place in term two.

A discussion took place regarding the staff utilisation rate and the following points were made:

- significantly improved and now steady at 97% average – a need to maintain the ratio for financial performance
- a higher staff utilisation 46n8 (t)- Tw 27.641 0.6 (per-6.6 (at)- )10.5 7 Tc 0.007 Tw6.6 (a)1B46o
